Note

The vacancy of cess clerk on Rs.35/- in the District Board office, Bangalore, was originally notified in the Gazette of 12th November 1925, with a pass in the S.S.L.C. examination as the qualification required, though the District Board President had stated in his letter that a pass in the Intermediate Examination with a knowledge of Kannada as also typing and short-hand was necessary. On the District Board President's further representation , the additional qualification, viz. knowledge of Kannada, typing and short.hand ---was notified as required for the place in the next issue of the Gazette (19th November 1925).

There were 40 applications for the place, 17 being from candidates of the backward communities, these applications were forwarded to the appointing officer in December 1925.

One of the Brahmin applicants was appointed in the vacancy, on the ground that none of the backward community candidates possessed the technical qualifications required. A report was duly submitted to the Board in January 1926 As the reasons assigned for preferring a Brahmin were satisfactory, no objection was taken to the appointment. But at the meeting of the Board held on the 4th June 1926, the question came up for scrutiny and the members desired that it might be ascertained from the District Board President as to why a steno-typist was considered necessary for the post of a cess clerk.

In reply to the enquiry made, the President of the Board urged that the work of the clerk was very important and that he must be able to deal with Kanarese papers and be able to

put up drafts etc and that the Board was in need of a clerk who knew Short-hand and Type-writing.

The papers then went up to the then Chairman of the C.R. Board, Mr. K. Chandy, who after consideration finally ordered that the appointment might stand.
